

Instructors

The instructors for this workshop will be:

- David Loverock, Jet Ice Ltd.
- Everett Tucker, Saunders Equipment Ltd.
- Derek Hawes, DH Solutions

Why You Should Attend

The Midseason Ice Maintenance Seminar should be considered an integral part of the overall professional development for those in the arena industry. The information obtained from this workshop can be put to use immediately at any facility, whether it is an energy saving technique or an improved maintenance procedure.

This training workshop will also provide an excellent opportunity to meet and discuss issues of concern with others in the arena industry.

Cancellation Policy

- If a withdrawal is made up to one week prior to the workshop the full fee will be refunded.
- If a refund is requested after that date, a 30% administration cost will be deducted.
- If you are unable to attend the workshop, you may substitute another person at no charge.
- If the workshop is cancelled, registrants will be contacted and a full refund provided.
- No-Shows will be charged the full amount of the registration.
