

# RECREATION PEI, INC

Recreation PEI is a not-for-profit volunteer driven organization. It is primarily a community or facility based membership of those who have an interest in recreation and physical activity.

As the member collective, the focus for Recreation PEI is:

- promoting universal interest of members
- providing expertise and information to members
- offering program and training opportunities to members
- creating opportunities for networking and sharing
- improving member service and marketing as well as increasing revenue strategies
- managing day to day operation of the association to benefit members

Active Healthy Islanders
